Master of Arts, Ministerial Leadership: Ministry

The Master of Arts in Ministerial Leadership: Ministry degree program enriches the work of ministry leaders—serving in local churches, faith based non-profit organizations, and a variety of other ministry contexts—through an interdisciplinary curriculum of theological studies, biblical studies, Christian formation, and ministry practices. The final 15 hours of the degree program emphasizes the application of preaching, leadership, pastoral care, and congregational leadership practices in ministry contexts.

The Southeastern University Master of Arts in Ministerial Leadership – Ministry Track provides foundational biblical, theological, and practical training for those presently involved in or pursuing Christian service in different ministry contexts. The minimum GPA requirement is 3.0. Grades of less than C- will not be counted toward degree completion.
